DESCRIPTIVE WHOLESALE TRADE LIST FOR SPRING 1933

We Need Cash To Balance Our Budget

CONSEQUENTLY HAVE REDUCED PRICES TO
ROCK BOTTOM

NOTE.—We sell field grown tubers only, no plants or Pot roots offered for sale. We ship only selected A No. 1 divisions showing eyes or sprouts, and guaranteed to be absolutely true to name. We don't substitute, and if sold out on a variety offered cheerfully refund remittance.

Our stock is grown right to produce only healthy, firm tubers. Fields are sprayed regularly and carefully rogued. All plants showing signs of weakness or disease are immediately destroyed.

This farm is under the supervision of men who have life experience in growing Dahlias and in selecting and packing Dahlia tubers right to satisfy the most critical customers. Considering the high quality and healthy stock offered, our prices are very reasonable. Purchase elsewhere and compare our stock. Try it and be convinced. We annually receive hundreds of testimonial letters from satisfied customers of the florists' trade, seedhouses and commercial Dahlia growers.

The Florist's, Gardener's and Dahlia lover's favorite list of reliable and dependable free blooming varieties.
